

URBAN FIELDS

URBAN FIELDS: YOUR GATEWAY TO LUXURY LIVING

Urban Fields, part of our meticulously planned 6-acre layout with local body approval, offers a unique combination of urban luxury and natural tranquillity. Nestled on the outskirts of Whitefield, this development is where UrbanFields lifestyle meets serene living.

Situated within a 4 km radius of Whitefield Main Road, Urban Fields provides seamless access to key locations, including the school zone in Whitefield, via Kadugodi Road. This prime location ensures that residents enjoy the best of both worlds: the vibrancy of city life and the calm of nature.

PRIME LOCATION WITH SEAMLESS CONNECTIVITY

Urban Fields is strategically situated in the East of Bengaluru, just under 5 km from Hoskote town center.

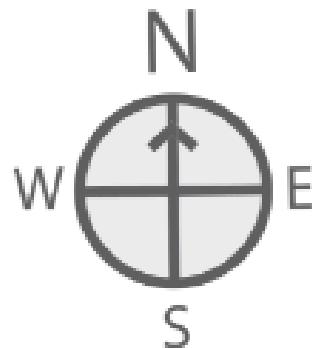

Located a mere 1 km off NH 207, the project offers excellent connectivity to Whitefield Main Road via the approved 300 ft wide Town Ring Road (TRR). Urban Fields is only 4 km from Whitefield Main Road near Kannamangala and 1 km from the STRR Ring Road part of the CBIC corridor.

The project is close to reputable schools, multi-speciality hospitals, commercial zones, and upcoming IT parks, ensuring that all your daily needs and conveniences are just a short drive away.

Additionally, Kempegowda International Airport (KIA) is less than a 30-minute drive via the STRR Ring Road.

Urban Fields also benefits from its location within a 3 km radius of the proposed BDA Peripheral Ring Road and is just 2 km from the proposed BDA township, which is set to span 1550 acres.
